Premium Real Estate Marketing

# Vivid Productions

every photo is crafted for maximum effect,  
every video is shot to tell a story

industry experts agree saying:  
"stunning", "awesome", "breathtaking"

from an inner city unit to a sprawling  
acreage manor: dusk, daytime,  
elevated you name it,  
we have a package to suit.

# Exquisite Photos and Video

maximise your marketing,  
get better exposure  
sell more properties for higher prices

the next level in selling...  
"this blew our competitors out of the water"

anyone can photograph and film a house, we create  
advertisements that people actually enjoy watching.

# Floorplans

## Flexibility

full colour and prepared on a branded brochure format

## Interactive

Combined with our photography the floorplan can become a super effective online tool when upgraded to our interactive version.

# In Room Auctions

Take your auctions to the next level  
make them an event people want to come and see.

*an event*

Massive widescreens, crystal clear videos  
through our HD projectors.  
Music pumping to set get the crowd going,

*the production*

camera feeds, slideshows,  
videos, audio the works  
all customised and output  
for you live.
